

Sexual Orientation and Gender Identity Rights

The following is material to consider for your syllabus. Specifically, there is:

- 1 Scholarly writing on sexual orientation and gender identity rights written by diverse scholars and experts
- 2 Scholarly writing providing geographic variety and geographically varied perspectives
- 3 Studies and analyses examining diversity, equity and inclusion-related dimensions of sexual orientation and gender identity rights

This is a living document; resources will be added and altered over time to ensure timeliness and quality. We would welcome your contributions and feedback.
